WHAT WE DO

How does RLSCCU protect my personal information?

How does RLSCCU collect my personal information?

Why can't I limit all sharing?

What happens when I limit sharing for an account I hold jointly with someone else?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

We collect your personal information, for example, when you:

- Open an account or apply for a loan

Federal law gives you the right to limit only:

- sharing for non-affiliates to market to you

State law and individual companies may give you additional rights to limit sharing.

Your choices will apply to everyone on your account — unless you tell us otherwise.
